2014 200-hour yoga teacher  
training certificate

Describing the quality of this teacher training program is hard because you won't get how truly amazing it is until you've been blessed with the experience and knowledge it offers. If you let it, this program will change your life. The world of yoga runs deep and wide, and Yoga Spirit Academy introduces it in a way that is both accessible and meaningful. Every month's training provides not only deep learning about yoga, but also rejuvenation and immersion in a supportive yoga community. Whether you are beginning or experienced in yoga, you will find much value in this program.
